

## Please support Norwegian-American heritage & District 2 youth camp scholarships

As a "tusen takk" for your donation to the Sofie/Olson Memorial Scholarship Fund, you can get the book "Hidden Heroes: World War II in Norway." These twenty eyewitness accounts were originally collected from Sons of Norway members by a District 5 Cultural Director, Jean Bittner. We hope these accounts help you remember the acts of bravery that everyday heroes made in Norway in World War II.

Living in Norway during World War II, you never knew if the person next door was a hero; a Norwegian resistance fighter. The hero next door could be a teenager going with his dad to steal grain from a Nazi train, in order to feed refugees. It could be a girl who hid messages in her instrument case, while going by bike to a violin lesson. It could be the fisherman down the street, rowing a boat full of grenades, with a German U-boat captain sitting on the seat which was hiding them. Many Norwegians risked their lives to thwart the Nazis who were occupying their country. These are their true stories.

If you haven't earned a SON literature cultural skills pin, this book is a great way to get started.
